

This past Saturday, January 27th, was the International Day of Commemoration in Memory of the Victims of the Holocaust. This day marks the memory of the victims of the Holocaust and reaffirms its unwavering commitment to counter antisemitism, racism, and other forms of intolerance that may lead to group-targeted violence. Specifically, the date marks the anniversary of the liberation of the Nazi Concentration and Extermination Camp of Auschwitz-Birkenau by Soviet troops on 27 January 1945.
