

Today marks the International Day for the Elimination of Racial Discrimination. This day commemorates the tragic events of March 21, 1960, in Sharpeville, South Africa when 69 peaceful demonstrators were killed as they protested against apartheid.

Today is an opportunity to reflect on the fact that while progress has been made, Indigenous Peoples, and racialized communities continue to face racism and discrimination every day. A few ways you can combat racism is to rethink jokes that promote negative stereotypes; understand that hate is learned behavior and can be unlearned; think about how you create a safe space for the people around you with your words and actions.

Can you believe that tomorrow is the Spring Fling dance? That's right, tomorrow is the last school dance of the school year! Don't have your ticket yet? Don't worry there is still time to get yours! Starting today and tomorrow, you can buy your spring fling dance ticket on School Cash Online OR FOR CASH at lunch in the main hall. A reminder that tickets must be picked up at lunch this week.
