**The girls curling team** played two great matches at the GBSSA championships in Stroud yesterday. In their first match they took a commanding lead right from the first end, dominating the team from Huntsville and finishing with a 16-1 win to give themselves a shot at a very strong Eastview team in the GBSSA finals. In the finals the girls showed some great shot making skill and kept themselves in the match through to the final end. Unfortunately they were unable to overcome a very strong and experienced team from Eastview. The girls played a great season, and did a great job representing their school as student athletes.

The boys curling team also came out strong in their semi final match against Patrick Fogarty, making great shots and playing a great match that resulted in a 12-1 win to secure their spot in the GBSSA finals against Twin Lakes. All of the curlers played very well, making a number of impressive shots throughout the finals match. Unfortunately, curling proved to be a game of literal centimeters, and the team was unable to overcome a stroke of bad luck and one excellent shot from the Twin Lakes team, losing by a single point in an extra end. The team should be very proud of their accomplishments this season and of the role that they played as representatives of their school.

Thanks for a great season.

**The boys hockey team's season** came to an unfortunate end yesterday in a hard fought and emotional battle against St. Pete's in the GB Finals. Our team truly left it all on the ice, however the Hockey Gods were not on our side in a 5-4 loss. Regardless of the outcome, the team was the most successful boys hockey team in the history of Nantyr, as they secured 3 trophies throughout the season - you've made our school community proud!

### **Good morning Nantyr!!!!**

We are looking for your help. Easter is coming and Mrs. Enwright's Period 1 class is partnering with 'Christmas For Kids', a year-round charity to help Innisfil families in need this Easter.

The goal is to collect as many non-perishable food items as possible. This will be running NOW through to March 19. This will be a school wide competition. The Period 1 class to collect the most items in this short time frame will be the winner. Check out the posters in your Period 1 class for the list of items and the point value.

In the past this was a huge success, so let's make this a special one and help contribute to the Innisfil community for Easter.
