

Don't be a bystander! If you've witnessed bullying, please don't hesitate to report it to a teacher, staff member, or through our anonymous reporting system. Together, we can take a stand against bullying and ensure that our school remains a place where everyone can learn and grow without fear.

Let's build a culture of kindness and empathy by building new connections instead. We encourage you to have a conversation with someone you don't normally interact with. Even a simple hello can build this culture.
