The Terry Fox Foundation is a leading national investor in cancer research by directing funds to diverse and innovate projects across the country through the Terry Fox Research Institute. Great strides are being made in cancer research and you can do your part by donating funds through our school's fundraising link. The link has been sent out through School Cash Online.

We will also post this on our school Instagram account. @wetheshores - be sure to follow us!

On Saturday, Nantyr's Auto Shop sent a car to the Orillia Fall Fair to compete in a demolition derby. This was the first-time students worked to build a car for the demolition derby and the results were impressive. The Nantyr car ended up 5th out of 11 cars and was easily competitive with the best and most experienced teams. Mr. Henderson would like to thank all the students for their efforts in this build. Also special thanks to the students who made the trip up to Orillia to help and support the team.
